

Course Name	CDM Designers Risk Assessment (DRA)
Duration	1 day
Max Number of Delegates	15
Course Fee	Please call for price

A course is provided for anyone with “designer duties” under the CDM Regulations; such as Designers, Architects, Engineers, Temporary Work Designers, Design and Build Contractors, Mechanical and Electrical Engineers and purchasers of materials.

The course includes:

- Designer appointment and competency
- Designers duties
- Design risk management
- Legal updates
- APS guidance on designer duties
- Designing out Health and Safety risks
- Principles of Prevention
- Legal responsibilities and penalties
- Co-ordination & communication of design

This course is also provided for the other CDM Duty Holders and Temporary Works Co-ordinators (and designers) in a modified format.

If you would like to receive more information about this course please or [click here](#) to contact us via email.
